7. (Unclassified - GLC) LIAISON As informed by Martha MacDonald, on the staff of the Senate Select Committee on Intelligence, of a message from Bill Miller, Committee Staff Director, advising that Senator Birch Bayh (D., Ind.) (who will probably be named the new Chairman of the Select Committee) would like to pay courtesy calls on all the principals in the Intelligence Community as he assumes Chairmanship of the Committee. He wants these sessions to be more than social formalities. He wants to have briefings at the same time. Ms. MacDonald says they have tentatively set Monday, 30 January, for the Senator to come to the Agency for a breakfast session from 8:00 a.m. to 10:00 a.m. The Director's office has been informed of this.
